

WE ARE HIRING

# WORKING STUDENT | TEMP PROJECT MANAGEMENT / IT

(d/f/m)

ARE YOU A STUDYNAUT?

## INNOVATE DIGITAL MARKETING

**In the heart of downtown Cologne,** we work together to develop exciting and sophisticated software for ourselves and our international customers. Versatile projects, innovative challenges, the development of our own products – a digital world that we create in our team of over 75 sharp minds every day. And we look forward to your support!

### YOUR TASKS:

- » Assistance in the project management field
- » Support in correspondence and communication in the Polish language
- » Digital preparation of software and IT project documentations
- » Web content maintenance

### YOUR PROFILE:

- » IT-Affinity
- » Interest in web technologies and programming
- » Confident use of Microsoft Office
- » Good German, English and Polish skills
- » Thorough and conscientious working style
- » Quick comprehension and team spirit

### Desirable

- » Registered Student of Business Information Systems/Media Informatics/ Business Administration or similar
- » Initial experience with JavaScript, HTML, CSS
- » Knowledge in using macOS

### WE OFFER YOU:

- » A great work atmosphere with an open, appreciative corporate culture
- » Flat hierarchies, direct communication channels and a great team with heart & humour
- » Exciting and diverse tasks in an international work environment
- » Long-term career prospects and diverse development opportunities
- » Many retreats in our themed focus, relaxation and gaming rooms
- » An awesome and comfy office in downtown cologne
- » Flexible working hours, home office and modern hardware/MacBook
- » Mentor program for Newbies
- » Fresh fruit, coffee, cocoa, water, tea...
- » Employment as working student or temp – Up to 20 H/Week (Up to 40 H/Week during semester break)
