

The RMH MEDIA team wants you!

In the heart of downtown Cologne, we work together to develop exciting and sophisticated software for ourselves and our international customers. Versatile projects, innovative challenges, the development of our own products - a digital world that we create in our team of over 75 sharp minds every day. And we look forward to your support!

START SEPTEMBER 2021:

TRAINEE - IT SPECIALIST

(m/f/d)

YOUR TASKS:

- » Learn the latest programming technologies and apply them
- » Take part in our diverse and international projects
- » Develop innovative User Interfaces
- » Learn to develop software projects according to customer requirements
- » Keep existing application up-to-date (Testing/Adjusting)

YOUR PROFILE:

- » Secondary school certificate or vocational baccalaureate with good results
- » Strong interest in computer science and confident in handling digital media (Experience in coding is always positive)
- » Motivation, willingness to learn and the ability to think systematically
- » Responsible and conscientious work style
- » Enjoy working in a team

WE OFFER YOU:

- » A great work atmosphere with an open, appreciative corporate culture
- » Flat hierarchies, direct communication channels and a great team with heart & humour
- » Exciting and diverse tasks in an international work environment
- » Long-term career prospects and diverse development opportunities
- » Many retreats in our themed focus, relaxation and gaming rooms
- » An awesome and comfy office in downtown cologne
- » Flexible working hours, home office and the latest hardware/MacBook
- » Mentor program for Newbies
- » Fresh fruit, coffee, cocoa, water, tea...
